Encountering God Through Rosary: Rodney Dominicus S. K. Chua This book is a collection of enlightenment reflections on the ‘Glorious’ Rosary mysteries that help us discern their meaning and applications for our life situations and challenges, appreciate God’s graces and goodness that we have taken for granted and importantly, listen to God’s ‘still small voice’ (1 Kings 19:12) speaking to us - in essence to help us encounter God through the Rosary. Mother Mary has always asked the people to pray the Rosary. But Rosary praying is declining because most find it to be a mere repetition of prayers and do not discover the real treasures of the Rosary which are hidden in its mysteries. The Rosary is called ‘mysteries’ because we are to ‘solve the mystery’ of those how biblical events apply to our own life when we meditate on them.

Topics include: What shall we, so little, so feeble, say in praise of Mary, when, if all our members less praise than thy dignity deserves ?” Again, how can my untrained tongue, my arid powers of interpretation not fail in the praises of an Anselm faileth in presence of the task? For he saith: “My tongue faileth, Lady, for my mind is insufficient. Lady, all that is within me praises I wish to sing. For who is there who would not deem that subject incomprehensible of which St. Jerome does not hesitate to speak as follows: “That which nature possesseth not, which custom useth not, which eclipseth reason, which the mind of man is unable to grasp, which Mary offers to our minds for the purpose of our praise.” For it is said: “The words of the Saints are as precious stones; and the thoughts of Holy Writ as flowers.” And the collection of the Holy Writ is the most pure form of the Holy Catholic Church. Gambero has produced a readable and comprehensive history of the richness of the patristic age’s theological and devotional approach to the Mother of God. Each chapter concludes with an extended reading from the works of the specific author that is being discussed. A number of these texts have never before been published in English. Come, Lord Jesus: Mary Mother Mary Francis 2010-01-01 These Advent reflections by the abbess of a Poor Clare monastery and accomplished spiritual writer focus on the attention of coming Jesus into our lives. There is a double movement to this coming: our active preparation to be ready for the Lord on one hand, and our patient waiting for the Lord on the other. There is a compelling need for the building of the Church to be ready for him, on one hand, and our patient waiting for the Lord to arrive in his own good time, on the other. There is an art to this patient waiting. The Meditations and Prayers begin by considering Jesus’ presence in our lives and in the Church — his teaching, his life and death, his sacrifice and redemption — and the ways our prayer can lead us to understand the meaning of these mysteries. The book also includes the Missal, revised to conform to The Roman Missal, Third Edition, and its companion Lectionary. Printed in easy-to-read, two-color type, these well-crafted ritual books feature a blue hardcover stamped with the distinct and beautiful art of Martin Ersperger, OSBM; silver-gilded pages; and ribbons. Conversations with Mary: Anna Raimondi 2017-10-17 Prominent spiritual counselor and medium Anna Raimondi channels the Blessed Mother Mary from that most pure heart and tender as only as a special gift for all people and for all ages. The messages of the Blessed Virgin Mary, as a central figure for all people and religious figures, are ageless. At age five, in the backyard of her suburban Long Island home, Anna Raimondi had a profound experience. A contemplative child, she slid her body into the small grotto that once held a statue of the Blessed Virgin Mary. Anna remembers “a feeling that I was in the presence of God” and that she was “touched by a special Loving presence.” What she saw was a white figure of the Blessed Virgin Mary that was like “something I just had seen or read about,” and that the figure of Mary “hung in the air.” Later, Anna remembers being told “about a man who had been a great spiritual leader” and watching “him in the air” in the grotto of the grotto. Anna remembers being told that this was “God’s way of getting her message through her. Anna’s messages to the people of the world of the good news that was sent to the world through me.” Anna’s messages were written down and shared with many people who were touched by the words that Anna heard and the guidance that she received. **The Real Mary** by Scot McKnight presents a new perspective on the life of Mary, the mother of Jesus. McKnight argues that Mary was an ordinary woman who lived a life that was ordinary in the sense that she was not a saint or a martyr, but rather a mother who was called to love and care for her children. Through this lens, McKnight invites readers to see Mary as a human being who had struggles and challenges like any other mother. This book is a valuable resource for those who want to understand Mary's life and her role in the early Church.

Mary, Mother of God—Braaten 2004-06-15 Since the Council of Ephesus (A.D. 431), orthodox Christianity has confessed Mary as “Theotokos,” Mother of God. By this admission, she was acknowledged as the mother of God, not as the mother of Jesus only, but as the mother of God. This title emphasizes the unique and twofold maternity of the Theotokos, which is based on the divine origin of Jesus. The term “Theotokos” signifies that Mary is the mother of Jesus as God and as man, and it underscores the reality of the Incarnation, which is the central teaching of the Christian faith. The celebration of Mary’s birthday on September 8th is a recognition of her role as the mother of Jesus, and it is celebrated with prayers and hymns that express gratitude for her role in the salvation of humanity. The feast of Mary’s Birthday is a day of rejoicing and thanksgiving, as we remember the gift of Jesus to the world, and we give glory to the mother of our Lord and Saviour Jesus Christ.
